UPCOMING EXHIBITS, PROGRAMS AND EVENTS

"Curator's Choice" Exhibit in the Museum of American Glass through March 28, 2010

The exhibit presents notable pieces that were acquired by the museum in 2009. The pieces illustrate the variety of American glass the museum collects, by donation or by purchase, in a given year. The price or value of the pieces is not a criteria for this exhibition, rather the importance to the collection in telling the story of American Glass.
