Artist Demonstrations

Our visitors really enjoy watching the artists at work and they loved the torch work in the tent last year, so we are once again going to set it up outside the Glass Studio to accommodate more flame-working demos. The tank demos will still be held inside the studio, as will the featured demonstration Friday evening. Please complete the following information if you are interested in giving a public demonstration. Our Glass Studio will contact you to discuss your needs.

Preferred demonstration time: *(Please mark your first and second choices)*
