

It's a Creative Adventure!

Use this map to locate fun activities for kids and families.

Outdoor Games:

-  Jumbo Checkers
-  Dominoes
-  Bubbles
-  Croquet (*pick up your mallets in the Gallery*)
-  Tumble Tower
-  Marbles

Sidewalk Chalk

Locations: Sidewalks in front of the Museum of American Glass, Administration Building, Crafts Studio, and General Store Play games or create works of art using sidewalk chalk!

Letterboxing

Pick up the clue sheet at the front Gatehouse to begin the **campus-wide** scavenger hunt!

Exhibit Activity Stations:

Located in the Museum

The Elements of the Periodic Table

Learn about the elements of the periodic table and how artists at WheatonArts and beyond use them in their creative practice. View samples of glazed pottery that feature elements of the periodic table on our oversized periodic table.

Kaleidoscopes

Experiment with an optical instrument, the kaleidoscope. Create hand drawn designs and play with the science of reflection and the principle of symmetry as you test your designs using our handmade kaleidoscopes.

Located in the Folk Life Center

Paper Lanterns

Create your own mini paper lantern using red cardstock, gold paint pens, and gold yarn. Red paper lanterns are a traditional decor item during the Chinese New Year.

Creation Stations:

The Family Art Table*

This is your place to create! Enjoy a self-guided creative experience. A variety of art materials are available for your enjoyment.

Build It!*

Blocks, clothes pins, foam shapes, and other fun building materials are available for open-ended creative play.

Magnetic Assemblage Board & Chalk Board*

Two boards are available for your enjoyment. Use chalk & magnets to express your ideas.

Music Box

Located on the Museum of American Glass Porch
Explore your musical talents! Choose from an assortment of instruments such as tambourines, hand bells, and maracas to create music outdoors.

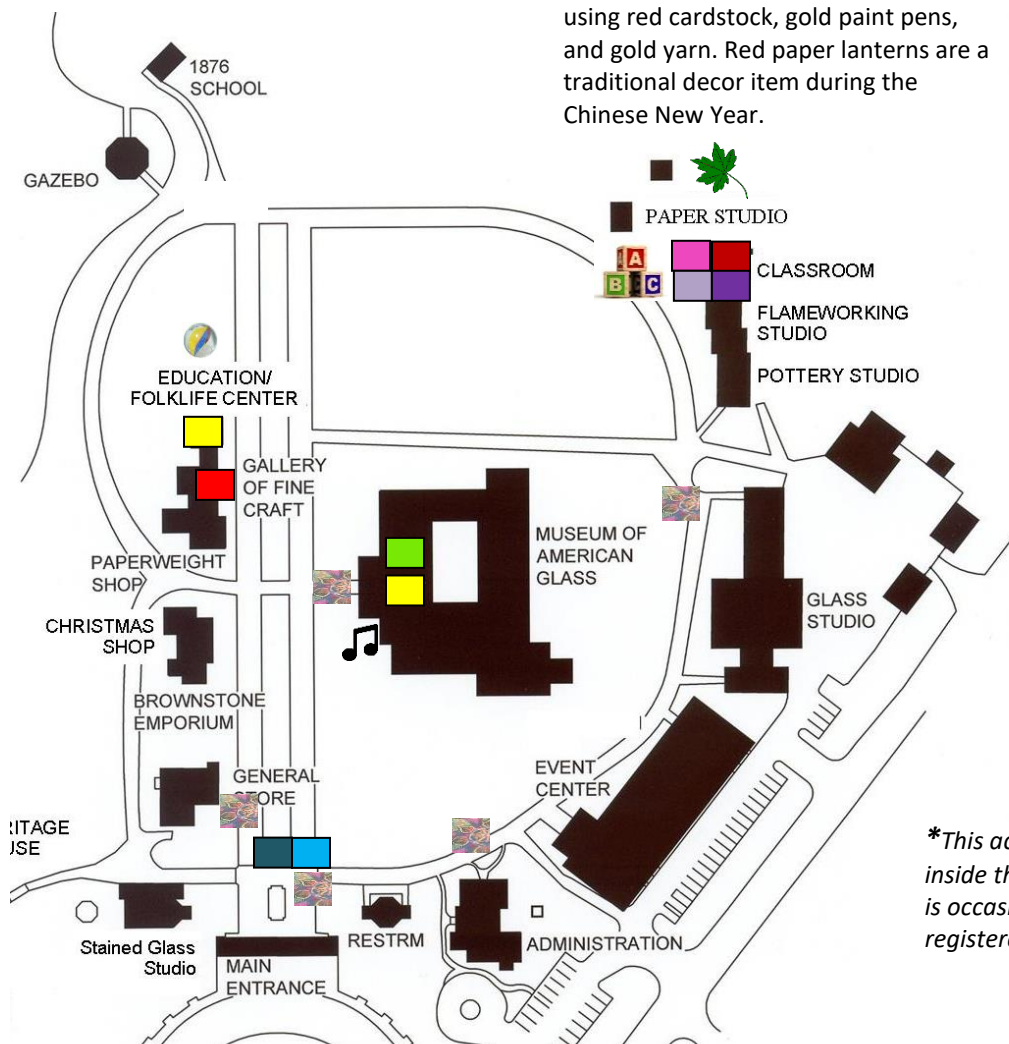

Reading & Writing Corner*

Get cozy & creative in our reading & writing corner! In our reading corner you will find an assortment of children's books, all of them ready to encourage your child to become lifelong readers & learners. If you feel inspired, draw & write on our chalkboard!

Nature Scavenger Hunt + Sketch Activity

Pick up the activity sheet at the front Gatehouse to begin the **campus-wide** scavenger hunt!

**This activity takes place in the classroom inside the Pottery Studio building. This activity is occasionally unavailable if there is a registered class taking place in the room.*
